

**This list of resources focuses on practical steps museums, arts/culture, and architecture organizations can take to address systemic racism and racial bias within their own organizations, including several links to recommended readings for staff. The below list is a work in progress; if you or your organization would like to submit tools, reading materials, or other resources you would like to contribute, please email us at [aao@architecture.org](mailto:aao@architecture.org).**

*Updated 8/5/2020*

[Culture Track Report: Culture and Community in a Time of Crisis, July 2020](#) (The survey not only examines how the COVID-19 pandemic has upended the arts and culture sector, but also illustrates the huge racial disparity in cultural audience composition.)
